COMPOTech S.R.L.
CAR AUDIO COMPONENTS AND COMMUNICATIONS

your partner for success

COMPOTECH was founded in 1999, entering the CAR AUDIO market.

The HEAD OFFICE in Brusaporto (BG) extends over a surface area of 1,300 m², employing ten highly qualified collaborators.

COMPOTECH manufactures standard and personalised products for specific usage requested by its various customers. Products include:

WIRING,
ELECTRONIC CIRCUITS,
ANTENNAS,
SPEAKERS,
ADAPTERS for installing CAR RADIOS
and NAVIGATION DOUBLE DIN FITTING KITS.

OUTSOURCERS that are managed and controlled by its business centre. They create prototypes and tools as well as moulded and co-moulded plastic materials, cutting and assembly of products that have been studied and developed by its technicians.

COMPOTECH is certified by Dasa-Rägister SpA in accordance with EN ISO 9001:2015, and is recognized as a pioneer for EUROPEAN LEVEL competence, technical and commercial reliability.
